

PROPER 11 July 22nd, 2018

Dear Ones,

Here is a plea from our treasurer:

Pledges are \$3000 short for the month of May. With the vacation season, giving tends to slip behind, even though the bills to keep the ministries going do not stop. Please consider signing up for automatic donations. It is EASY. You control how much and how often. It is SAFE. The giving is through the secured VANCO service the diocese uses. No lost checks! It is AUTOMATIC. There is no forgetting to write a check.

Thanks! Jan Hobson, Treasurer

Though our Christian education program has ended for the summer. I want to make sure that everyone knows that there will be **three fun Sunday programs next month for our little ones: July 15th, 22nd and 29th.** They will be during the service times, and led by our teachers. AND looking ahead to the fall, we're already starting to look at what kind of programming we can offer our older kids: 10-14 years. If you want to be part of the conversation let Amma Kathleen know.

As many of you know, John Kingslight's mother died last month in Michigan, and her memorial service is planned for July 3rd. **So the Kingslight family will be leaving for Michigan on June 25th, and be back on July 25th.** During that time we'll be with family in Michigan, and Colorado, and be taking a side trip down to Taos, and Sante Fe so that Rory

can see where her mother was born. You will be in good hands with the supply clergy that are lined up in my absence: Fr. Craig Vocolka and Fr. Dick Scott. We will send you pictures as we travel, maybe even flat Jesus will make an appearance again.

During July, if you have an event, or an announcement you want to have put in the Halls of St. Paul's, please make sure that you send it to Bobbi at the church address: stpaul700@gmail.com, so that she can get it into the newsletter.

Also, there is a conference coming up in October that I'd LOVE for a pile of us to attend. It's going to be in Port Townsend... not too far from home, and it's all about growing the church. Here's the video the Bishop has put out on the subject:

Watch Bishop Rickel's video introduction to the Bishop's Leadership Conference above:

Fort Worden, WA | October 1-5 | \$100 for up to 4 people, \$15 extra for every person above 4

God meets us where we are, using our specific gifts and talents for a divine purpose within our current circumstances. However, we're also called to grow out of our comfort zones.

October 1-5, the Diocese of Olympia's Office of the Bishop is pleased to present "The Bishop's Leadership Conference: Size to Size - Strength to Strength" - a conference that explores what it means to be faithful, healthy, and effective in your church's current, local context and help you discern if God is calling your congregation to grow in new ways.

Over the course of the week, each church will attend two days of the conference. The first day, connect and network with other churches of similar size to share and discover strengths specific to your congregational size. On the second day, learn more about how growth would look by joining the next congregational size up. We'll be exploring how stewardship, marketing and evangelism, discipleship, communications, faith formation, finances, and property and building maintenance operates at all congregational sizes. Many of your vestry members will be attending, but ALL are welcome!

Come and See... **Go and Tell/Cursillo**

Dumas Bay Conference Center, Federal Way | October 19-21 | \$100

Come and See... Go and Tell/Cursillo offers an experience of spiritual renewal. You are invited to experience God's unconditional love while deepening your understanding of Jesus' teachings. Stories of faith presented on the weekend encourage living out one's baptismal covenant in the world. The next weekend at Dumas Bay Conference Centre, Federal Way, begins mid-day Friday, October 19, concluding Sunday afternoon, October 21. Guest cost of \$100 includes all retreat materials, all meals and snacks and 2 night's lodging.

I'm hoping that many of you will consider this retreat as a part of your growing faith development. The core of St. Paul's are the folks who have gone to Cursillo, and they will tell you all about their experiences. Just ask!

Don't forget!!!
Get Your Pride on, it's this week!!!

A Note from Alan Futterman, conductor of the Bremerton Symphony Orchestra:

Dear Pastor Kingslight,

This has been a somewhat tumultuous year for the BSA with major changes in personnel and venues. I want to personally thank you for your hard work and your great generosity in allowing us to move our program to St. Paul's. You truly came through exactly when we needed help the most.

The Church was traditionally a bastion of culture, both art and music, and I hope that the activities of the BSA can help enrich the community at St. Paul's Episcopal Church.

Also, I am extremely grateful for your willingness to drop everything and unlock the doors for an errant trombonist, percussionist... or conductor (!), though I will try not to bother you often with this.

Yours with great respect and admiration,
Alan Futterman

Bremerton Backpack Brigade -B3

Because we work through the school district, the Bremerton Backpack Brigade is not able to send food backpacks home with the kids we serve during the summer months. We do, however, send home an extensive list of all the places the families in need can seek supplemental food support while school is out.

Food insecurity and the accompanying hunger does NOT take a break for the summer! Please do not let the hungry kids in our community "slip your mind" over the next few months. Give generously to the Bremerton Foodline, or any other program that's helps to fill little tummies.

If you'd like to help the Brigade begin preparing for next school year, please consider donating a backpack or two over the summer months. We need about 125-150 backpacks to

begin the school year. New or gently used, medium to large size, the Brigade will genuinely appreciate your help in collecting those necessary backpacks!

Thank you!!!
